

School Age February News

Dear Parents,

This year is moving right along! It is already February. We have many activities planned during the upcoming month. We will be talking about Black History Month, such as people like Frederick Douglas and Harriet Tubman. We are also very excited about Valentine's Day. We have many fun and exciting art projects planned before Valentine's Day. We have a list coming home of what your child will need to bring for our Valentine's Party on the 13th. If for any reason you are not able to bring the item listed, please feel free to speak with us. The School Age classroom would like to wish Tyler Marks a Happy Birthday. Tyler has our only February Birthday. Once again if you have any questions or concerns please feel free to let us know. Thanks for all your help!

Thank You,
Ms. Leslie
Ms. Ashley
